MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENTS

The Indian Automobile Industry is made up of Original Equipment Manufacturers (OEMs) i.e. Automobile manufacturers and auto component manufacturers.

The Industry is an emerging sector in India, with almost all global majors having set up their facilities here. The Industry has been continually evolving and absorbing newer technologies in order to align itself with global developments and realise its full potential.

The Auto Components Industry in India comprises Tier One manufacturers who supply complete component modules to OEMs, Tier Two manufacturers who cater to Tier One manufacturers and Tier Three manufacturers who supply components to Tier Two manufacturers. The Industry is divided into five segments viz. engine parts, drive transmission & steering parts, suspension & brake parts, electric parts and body & chassis.

The fortunes of the Auto Components Industry are closely linked with those of the OEMs.

ASAL

Twenty Fifth Annual Report 2014-15

Automotive Stampings and Assemblies Limited

The Auto Components Industry has been impacted during the year due to economic slowdown of the industry in general and particularly, the automobile industry.

The chart below shows the sales of various categories of vehicles during FY 2014-15 compared to FY 2013-14:

Segment	2014-15	2013-14	Growth
Passenger cars	1,876,017	1,786,826	4.99%
Utility vehicles	553,699	525,839	5.30%
Vans	171,395	190,844	- 10.19%

Light commercial vehicles (LCVs)	382,206	432,233	- 11.57%

Source: SIAM report

The Indian Auto Components Industry has also been facing its most formidable challenge to maintain volumes as well as margins.

Your Company operates in Sheet Metal Components, Assemblies and Sub-assemblies segment of the Auto Components Industry. It manufactures a range of sheet metal components and assemblies for the Automobile Industry and is a Tier One auto components supplier.

OPERATIONS

Your Company's sales during the year were impacted by lower volumes in the segment in which it predominantly operates. Some of the models under passenger car segment and LCV segment, on which your Company has heavy dependence, recorded sharper drop in volume and this had a very adverse effect on sales. Even though, the passenger car segment recorded growth of 4.99%, your Company couldn't achieve corresponding growth since the anchor customer of your Company recorded a negative growth.

Consequently, your Company could not utilize its capacity fully. In addition, the frequent fluctuations in demand during the financial year 2014-15 have made planning for other resources difficult.

To minimise the impact of falling volumes and increasing input costs, your Company launched a number of containment actions and cost reduction drives as counter measures such as EBITDA improvement initiatives to enhance internal efficiencies and improve operational excellence. Apart from the cost reduction programmes, the Company has been aggressively pursuing new business opportunities. These initiatives will have a positive impact on volumes, margins and overall performance on a sustained basis in the future.

INCOME AND EXPENDITURE

Sales dropped by 14.49% to Rs. 28,864.98 Lakhs primarily due to lower volume and reduction in sales of tools, dies and moulds.

Other Operating Revenue which mainly comprises income from job work, reduced by 54.69% to Rs. 185.14 Lakhs.

Other Income, which mainly consists of interest on deposits, gain on exchange fluctuations and profit on sale of assets, reduced by 61.23% to Rs. 4.68 Lakhs. The prime reason for this was a loss caused by exchange fluctuations in the year under review against a gain in the previous year.

Cost of materials consumed (including change in stock) as a percentage to sales increased by 1.28% to 78.33% because of change in the product mix due to lower volume of LCVs. The Management has been taking continuous steps to improve control over material utilisation.

Employee expenses have remained almost at the same level as in the previous year since the effect of productivity improvements done was offset by the salary increases.

Other Expenses comprising Manufacturing, Administration and Selling Expenses reduced by 4.16% to Rs. 3,016.26 Lakhs due to reduction in Sales volumes and implementation of EBITDA improvement programmes. However, the reduction was partly offset by the increase in expenses on Repairs and maintenance.

The Loss before Depreciation, Financial Charges and Tax was Rs. 643.93 Lakhs as against Earnings before Depreciation, Finance Costs and Tax of Rs. 978.24 Lakhs in the previous year.

Interest expense increased by 24.23% to Rs. 663.56 Lakhs due to increase in borrowings.

Depreciation and amortization expense have reduced due to revision in the estimated useful lives of fixed assets, primarily plant and machinery, effective April 1, 2014 pursuant to the provisions of the Companies Act, 2013.

OPPORTUNITIES AND THREATS

- Investment in Technology:
As the automotive market is continually upgrading its technology, your Company is also upgrading its technology to participate in new vehicle programmes.
- Companies' own technology improvement plan:
Your Company is undertaking various new technology initiatives which will further improve the potential for new businesses from existing and new customers.

The rural market is also facing a slowdown because of the impact of unseasonal rains that have hit the agricultural sector. Slowdown in industrial activity and modest income growth have been the key growth retarders over the past few years. The profitability of the Indian Auto Components Industry is likely to continue to be under strain due to pricing pressures from OEMs because of new product launches which has created heightened competitive intensity thereby constraining their pricing flexibility.

SEGMENT-WISE PERFORMANCE

The Company operates only in the Automobile Component Segment in the Domestic Market.

FUTURE OUTLOOK

The industry is expected to benefit from lower fuel costs and softening of interest rates that would ideally help in replacements in the automotive sector. It is likely that the hatchback segment will see a visible growth as first-time buyers prefer new cars to two-wheelers or used cars.

The medium and long term outlook remains positive for the automotive sector and consequently, the auto component sector. This confidence is based on strong sector fundamentals which include low incidence of vehicle penetration in the country, projected high rate of GDP growth for the Indian economy, huge investments being made by the Government in infrastructure along with migration of middle class population to urban areas with aspirations for better living standards.

RISKS AND CONCERNS

- Rising input costs:
The rising input cost is a cause for concern which, unless controlled, will impact sales and also erode margins.
- Skill Availability:
In some of the locations of our operations, sourcing of skilled labour is an issue which may create challenges for future growth.
- Concentrated Customer Base:
Concentrated OEM and limited product portfolio make the component manufacturers vulnerable to the vagaries of business cycles.

Your Company has been taking steps to mitigate the risks by creating a state of internal readiness to seize opportunities that unfold and continues to explore new business opportunities.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has developed a robust internal control systems by documenting procedures covering financial & operating functions. These systems are providing a reasonable assurance with regard to its financial & operations controls.

Some significant features of the internal control systems are:

- A detailed preparation and subsequent monitoring of both Annual budgets & Capital Expenditure budgets for all its functions.
- Implementation of ERP (SAP) for online control of all transactions including finance, materials, dispatch, quality, costing, etc. across all locations.
- Internal audits are conducted by external auditors and they audit all aspects of business, based on audit programmes finalised by the Audit Committee
- Review of the financial performance by Audit Committee.

RELATED PARTIES

Note 24 of the Accounts sets out the nature of transactions with related parties. Transactions with Related Parties are carried out in the ordinary course of business and at the arm's length. The details of the transactions are tabled before the Audit Committee. Further details on this are explained in the Corporate Governance Report.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

Pursuant to the provisions of the Companies Act, 2013, your Company is not mandatorily required to spend any amount on this account in view of the losses. Your Company has however been undertaking CSR initiatives voluntarily.

Your Company has constituted a Corporate Social Responsibility Committee in terms of section 135 of the Companies Act, 2013. The Committee has formulated a CSR Policy to be undertaken by your Company covering the activities specified in the Act. The Policy has been uploaded on the website of the Company: www.autostampings.com.

The employees from all plants of the Company voluntarily contribute their time by visiting orphanages/ old age homes, schools, etc. to provide some companionship and succour to the needy children and aged people.

Your Company identifies employable local youth and provides training to them under their Skill Development Centre.

ENVIRONMENT, HEALTH AND SAFETY

Your Company is committed to provide a safe, secure and healthy workplace and this has been documented in the Health, Safety and Environment (HSE) policy which is part of the Overarching Wellness strategy of your Company. Your Company has therefore adopted a comprehensive approach to implement this by adopting 'Total Safety Culture' concept across its operations. All the Plants of the Company have been certified for EMS 14001 and OHSAS 18001. The Pune plants are especially focused on the wellness initiative.

Your Company has initiated a process for implementation of the British Safety Council (BSC) Certification. Internal Audits have been conducted at all Plants and training and awareness initiatives have been undertaken.

During the year, the approach to safety has been further strengthened in all operations of your Company. Regular safety drills and safety audits are continued at all plants. The requisite training is provided to the employees in Safety. HSE audits are carried out every quarter and health checks & counseling are extended to employees.

Your Company has adopted "Grey to Green" climate change policy to reduce its carbon footprint by reducing power consumption and selling steel scrap to be reprocessed and sold.

There is a continued focus on tracking of "near miss" incidences, which has resulted not only in reduction of reportable accidents but even in first aid injuries & non-reportable accidents. Safety competitions, presentations on safety kaizens, mock drills, etc. are conducted for achieving a safe and healthy work environment.

Your Board of Directors are continually updated on Health, Safety and Environment related matters.

QUALITY INITIATIVES

All the manufacturing Plants of your Company are certified under TS 16949 and ISO 14001. Your Company has been implementing the Tata Business Excellence Model to build excellence in its business operations.

INFORMATION ON CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO REQUIRED IN TERMS OF SECTION 134(3)(m) OF THE COMPANIES ACT, 2013 READ WITH RULE 8(3) OF THE COMPANIES (ACCOUNTS) RULES, 2014

A. CONSERVATION OF ENERGY

(i) Steps Taken or Impact on Conservation of Energy:

The Company has always been giving due consideration for the conservation of energy by adopting the following measures:

- to continue to sustain a high power factor, resulting in optimizing the energy consumption.
- installation of Real Time Power Factor Correction System and Auto Stop Timers.
- use of Pulse type smart timers system for stamping presses to reduce energy consumption during idle run of presses.
- use of Variable Frequency Drive system for autophoretic chemical coating oven blower to reduce energy consumption.
- use of T5 energy efficient tube lights for plant lighting to reduce power consumption.
- optimised air compressor pressure for Weld shop to reduce energy consumption.

The Company has Power of 10 forum consisting of employees from all the four Plants. They make time bound action plans for energy conservation opportunities and track them to ensure speedy implementation. Ideas are shared across Plants and discussed every quarter.

These measures are aimed at effective management and utilization of energy resources and resultant cost saving for the Company.

(ii) Steps taken by the Company for utilizing alternate sources of Energy:

The Company proposes to explore the alternate sources of energy.

(iii) Capital Investment on Energy Conservation Equipments:

The Company acknowledges the fact that investment in energy conservation offers significant economic benefits in addition to climate change benefits.

During the year, the Company has invested Rs. 30.26 Lakhs as capital investment on energy conservation equipment.

The equipment in which investment was made included, among others, Real Time Power Factor Correction System panel.

B. RESEARCH AND DEVELOPMENT & TECHNOLOGY ABSORPTION

The Company researches on metal forming technologies used elsewhere in the world for vehicle mass reduction. Networking is done with suppliers who manufacture special equipment required for productionising these technologies.

Based on the technology needs of the Customers, the appropriate support for the technology is arranged by the Company.

The engineering team of the Company develops concepts for productivity improvement during development of new Dies and welding fixtures, with Die makers and fixture manufacturers, for new customer programmes.

As the Company has no separate R & D cell, the expenditure on these R & D activities cannot be ascertained separately.

C. FOREIGN EXCHANGE EARNINGS AND OUTGO

During the year, the total foreign exchange expenditure amounted to Rs. 15.42 Lakhs (which includes Rs. 12.22 Lakhs for the import of raw materials and components and Rs. 3.20 Lakhs towards expenditure in foreign currency).

The Company did not earn any foreign exchange.

Annexure III to Board's Report

[Pursuant to Rule 5 of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

1. The ratio of the remuneration of each Director to the median remuneration of the Employees of the Company for the financial year:

(Explanation: (i) the expression "median" means the numerical value separating the higher half of a population from the lower half and the median of a finite list of numbers may be found by arranging all the observations from lowest value to highest value and picking the middle one; (ii) if there is an even number of observations, the median shall be the average of the two middle values)

The percentage increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer, Company Secretary, or Manager, if any, in the financial year:

- None of the Directors of the Company is in receipt of any kind of remuneration other than the Sitting Fees.
- The ratio of remuneration of Manager (designated as "Chief Executive Officer") to the Median Remuneration of all employees who were on the payroll of the Company and the percentage increase in his remuneration during the financial year 2014-15 are given below

Manager (designated as "Chief Executive Officer")	Ratio to Median	Percentage Increase in Remuneration
Anil Khandekar (wef April 1, 2014)	23.50:1	Mr. Khandekar has been appointed wef April 1, 2014.

- The percentage increase in remuneration of the Chief Financial Officer is 7.19% and of the Company Secretary is 8.58%.
2. The percentage increase in the median remuneration of employees in the financial year: 5.96%
 3. The number of permanent employees on the rolls of Company: 636 employees (excluding trainees and apprentices).
 4. The explanation on the relationship between average increase in remuneration and Company performance:

Remuneration of employees has a close linkage with the performance of the Company. The Performance Incentive is the variable component and part of salary for all the management staff. The Incentive Remuneration is calculated based on both individual and Company performance. The Company Performance has a higher weightage for senior positions and lower weightage for junior positions.

5. Comparison of the remuneration of the Key Managerial Personnel against the performance of the Company:

The Company's sales during the year 2013-14 were impacted by lower volume due to economics scenario. Further, some of the models on which your Company has heavy dependence recorded sharper drop in volume and this had a very adverse effect on sales, which were also affected on account of workman's agitation at the Pantnagar Plant. Consequently, your Company could not utilize its capacity fully. In addition, the fluctuations in demand over the year detracted from balancing the other resources. The steep increase in Electricity and Fuel prices lowered profitability.

To minimise the impact of falling volumes and increasing input costs, the Company launched a number of containment actions and cost reduction drives as counter measures to enhance internal efficiencies and improve operational excellence.

The Company's performance during 2013-14, its revival plans and individual performance were considered while approving the variable pay and the increase in remuneration for the Key Managerial Personnel, which increased by an average of 7.78 % during the year.

The Company conducts the bench marking of the salaries and the salaries are paid in line with the market trend.

6. Variations in the market capitalization of the Company, price earnings ratio as at the closing date of the current financial year and previous financial year and percentage increase over/decrease in the market quotations of the shares of the Company in comparison to the rate at which the Company came out with the last public offer in case of listed companies:

The market capitalization of the Company as at March 31, 2015 is Rs. 64.01 Crore, as against Rs. 57.03 Crore as at March 31, 2014, a increase of 12.24 % during the year under review.

There being Loss per share, the price earnings ratio of the Company as at March 31, 2015 and March 31, 2014 has not been calculated.

The Company successfully completed the Rights Issue of the equity shares in July, 2011 with the issue proceeds of Rs. 29.46 Crores. The Company issued 56,65,856 equity shares of Rs. 10/- each at a premium of Rs. 42/-.

The market quotation of the Equity Shares of the Company as on March 31, 2015 was Rs. 40.35 for shares of face value of Rs. 10/- each, representing a decrease of 22.40% over the period.

7. Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:

The percentage increase in the salaries of employees other than the managerial personnel in the last financial year is 5.96%, as against an increase of 7.78% in the salary of the Key Managerial Personnel. The increment given to each individual employee is based on the employees' performance and also benchmarked against a comparable basket of relevant companies in India.

8. Comparison of the each remuneration of the Key Managerial Personnel against the performance of the Company:

The Company's sales during the year 2013-14 were impacted by lower volume due to economics scenario. Further, some of the models on which your Company has heavy dependence recorded sharper drop in volume and this had a very adverse effect on sales, which were also affected on account of workman's agitation at the Pantnagar Plant. Consequently, your Company could not utilize its capacity fully. In addition, the fluctuations in demand over the year detracted from balancing the other resources. The steep increase in Electricity and Fuel prices lowered profitability.

To minimise the impact of falling volumes and increasing input costs, the Company launched a number of containment actions and cost reduction drives as counter measures to enhance internal efficiencies and improve operational excellence.

The Company's performance during 2013-14, its revival plans and individual performance were considered while approving the variable pay and the increase in remuneration. The remuneration during the year increased by 7.19% for the Chief Financial Officer and 8.58% for the Company Secretary.

9. The key parameters for any variable components of remuneration availed by the Directors:
None of the Directors of the Company is in receipt of any kind of remuneration other than the Sitting Fees.
10. The ratio of the remuneration of the highest paid Director to that of the employees who are not Directors but receive remuneration in excess of the highest paid Director during the year:
None of the Directors of the Company is in receipt of any kind of remuneration other than the Sitting Fees. Hence the above criteria is not applicable.
11. Affirmation that the remuneration is as per the Remuneration Policy of the Company
It is affirmed that the remuneration paid is as per the Remuneration Policy for Directors, Key Managerial Personnel and other employees, adopted by the Company.

MEETING OF INDEPENDENT DIRECTORS:

During the year under review, the Independent Directors met on March 10, 2015, *inter alia*, to discuss:

1. Review of the performance of Non-independent Directors and the Board as a whole for FY 2014-15.
2. To assess the quality, quantity and timeliness of flow of information between the Management and the Board.

All the Independent Directors were present at the Meeting.

The performance of the Chairman was evaluated for FY 2014-15 by the 'Nomination and Remuneration Committee' and the Board.

FAMILIARISATION PROGRAMME FOR DIRECTORS:

The Directors (Independent and Non-Independent) are made to interact with Senior Management Personnel and are given all the documents sought by them for enabling a good understanding of the Company, its various operations and the industry of which it is a part.

The role, rights, duties and responsibilities of Independent Directors have been incorporated in the Letters of Appointment issued to them. The amendments / updates in statutory provisions are informed from time to time.

The information wrt the nature of industry in which the Company operates and business model of the Company, etc. is made known through various presentations on operational performance, strategy, budgets & business forecasts, etc. to the Board.

The above initiatives help the Directors to understand the Company, its business and the regulatory framework in which the Company operates to effectively fulfill their role as Directors of the Company.

The details of the Familiarisation programme have been uploaded on the Company's website: www.autostampings.com.

POLICIES WRT (A) DETERMINING QUALIFICATIONS, ATTRIBUTES AND INDEPENDENCE OF A DIRECTOR; (B) EVALUATION OF INDIVIDUAL DIRECTORS, THE BOARD & ITS COMMITTEES; AND (C) BOARD DIVERSITY:

The Company has adopted the Guidelines on Board Effectiveness (“Governance Guidelines” or “guidelines”) which inter alia cover Board Effectiveness Review, the Composition & Role of the Board and Nomination, appointment, induction & development of Directors. These Guidelines cover (a) the criteria for determining qualifications, attributes and independence of a Director; (b) formulation of criteria for evaluation of independent directors, the Board and its Committees; and (c) a policy on Board diversity.

Policy wrt qualifications, attributes and independence of a Director:

- A Director will be considered as an "Independent Director" (ID) if the person meets with the criteria for 'Independent Director' as laid down in the Act and Clause 49.
- IDs should be thought/practice leaders in their respective functions/domains in order to contribute to the overall skill-domain mix of the Board.
- IDs are expected to abide by the 'Code for independent directors' as outlined in the Act. The Code specifies the guidelines of professional conduct, role and function and duties of independent directors.

Evaluation of Individual Directors, the Board & its Committees:

- Pursuant to the provisions of the Companies Act, 2013 and Clause 49 of the Listing Agreement, the Board has carried out the annual performance evaluation for FY 2014-15 of its own performance, the Directors individually as well as the evaluation of the working of its Committees viz. Audit Committee, 'Nomination and Remuneration Committee', 'Corporate Social Responsibility Committee'; Finance Committee and the 'Stakeholders Relationship Committee'.
- The review of the performance of all the Directors was also evaluated for FY 2014-15 by the 'Nomination and Remuneration Committee'.
- The performance review of the Non-independent Directors was evaluated for FY 2014-15 in the meeting of the 'Independent Directors'.
- The broad criteria followed for evaluation of the performance of individual Directors include (a) Attendance; (b) Contribution at Board meetings; (c) Guidance/ support to management outside Board/ Committee meetings.

Additionally, for the Chairman, the key aspects of the role like (a) setting the strategic agenda of the Board with focus on long term value creation for all stakeholders; (b) encouraging active engagement by all the members of the Board and promoting effective relationships and open communication; (c) Communicating effectively with all stakeholders and enabling meaningful relationships were considered.

- The broad criteria followed for evaluation of the performance of the Board include (a) Degree of fulfilment of key responsibilities; (b) Board structure and composition; (c) Establishment and delineation of responsibilities to Committees; (d) Effectiveness of Board processes, information and functioning; (e) Board Culture and Dynamics; (f) Quality of relationship between Board and the management; and (g) Efficacy of communication with various stakeholders.
- The broad criteria followed for evaluation of the performance of Board Committees include (a) Degree of fulfilment of key responsibilities; (b) Adequacy of Board committee composition; (c) Effectiveness of meetings; (d) Committee Dynamics; and (e) Quality of relationship of the Committee with Board and the management.

Board Diversity:

The Board ensures that a transparent Board nomination process is in place that encourages diversity of thought, experience, knowledge, perspective, age and gender. It is ensured that the Board has an appropriate blend of functional and industry expertise.

REMUNERATION POLICY FOR DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES AS APPROVED BY THE BOARD:

Remuneration for Independent Directors and Non-independent Non-executive Directors:

- Independent Directors (“ID”) and Non-independent Non-executive Directors (“NED”) may be paid sitting fees (for attending the meetings of the Board and of Committees of which they may be members) and commission within regulatory limits.
- Within the parameters prescribed by law, the payment of sitting fees and commission will be recommended by the 'Nomination and Remuneration Committee' and approved by the Board.
- Overall remuneration (sitting fees and commission) should be reasonable and sufficient to attract, retain and motivate Directors aligned to the requirements of the Company (taking into consideration the challenges faced by the Company and its future growth imperatives).
- Overall remuneration should be reflective of size of the Company, complexity of the sector/ industry/ Company's operations and the Company's capacity to pay the remuneration.
- Overall remuneration practices should be consistent with recognized best practices.
- Quantum of sitting fees may be subject to review on a periodic basis, as required.
- The aggregate commission payable to all the NEDs and IDs will be recommended by the 'Nomination and Remuneration Committee' to the Board based on Company performance, profits, return to investors, shareholder value creation and any other significant qualitative parameters as may be decided by the Board.
- The 'Nomination and Remuneration Committee' will recommend to the Board the quantum of commission for each Director based upon the outcome of the evaluation process which is driven by various factors including attendance and time spent in the Board and committee meetings, individual contributions at the meetings and contributions made by Directors other than in meetings.
- In addition to the sitting fees and commission, the Company may pay to any Director such fair and reasonable expenditure, as may have been incurred by the Director while performing his/ her role as a Director of the Company. This could include reasonable expenditure incurred by the Director for attending Board/ Board Committee meetings, general meetings, court convened meetings, meetings with shareholders/ creditors/ management, site visits, induction and training (organized by the Company for Directors) and in obtaining professional advice from independent advisors in the furtherance of his/ her duties as a Director.

Remuneration for Managing Director (“MD”)/ Executive Directors (“ED”)/ Manager / Chief Executive Officer / KMP / rest of the employees:

- The extent of overall remuneration should be sufficient to attract and retain talented and qualified individuals suitable for every role. Hence remuneration should be
 - Market competitive (market for every role is defined as companies from which the Company attracts talent or companies to which the Company loses talent)
 - Driven by the role played by the individual,
 - Reflective of size of the Company, complexity of the sector/ industry/ Company's operations and the Company's capacity to pay,
 - Consistent with recognized best practices; and
 - Aligned to any regulatory requirements.
- In terms of remuneration mix or composition,
 - The remuneration mix for the MD/ EDs/ Manager/ Chief Executive Officer is as per the contract approved by the shareholders. In case of any change, the same would require the approval of the shareholders.
 - Basic/ fixed salary is provided to all employees to ensure that there is a steady income in line with their skills and experience.

- In addition to the basic/ fixed salary, the Company provides employees with certain perquisites, allowances and benefits to enable a certain level of lifestyle and to offer scope for savings and tax optimization, where possible. The Company also provides all employees with a social security net (subject to limits) by covering medical expenses and hospitalization through re-imbursments or insurance cover and accidental death and dismemberment through personal accident insurance.
- The Company provides retirement benefits as applicable.
- In addition to the basic/ fixed salary, benefits, perquisites and allowances as provided above, the Company provides such remuneration by way of an annual incentive remuneration/ performance incentive subject to the achievement of certain performance criteria and such other parameters as may be considered appropriate from time to time by the Board. An indicative list of factors that may be considered for determination of the extent of this component are:
 - a) Company performance on certain defined qualitative and quantitative parameters as may be decided by the Board from time to time,
 - b) Industry benchmarks of remuneration,
 - c) Performance of the individual.

SITTING FEES TO DIRECTORS:

The Company pays Rs. 20,000/- as sitting fees for every Board Meeting and all Committee Meetings except the 'Stakeholders Relationship Committee' Meeting where Members are paid Rs. 10,000/-.

The details of Sitting Fees to Non-Executive Directors for the year 2014-15 are as under:-

AUDITORS' CERTIFICATE REGARDING COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

To the Members of Automotive Stampings and Assemblies Limited

We have examined the compliance of conditions of Corporate Governance by Automotive Stampings and Assemblies Limited, for the year ended March 31, 2015, as stipulated in Clause 49 of the Listing Agreements of the said Company with Stock Exchanges in India.

The compliance of conditions of Corporate Governance is the responsibility of the Company's management. Our examination was carried out in accordance with the Guidance Note on Certification of Corporate Governance (as stipulated in Clause 49 of the Listing Agreement), issued by the Institute of Chartered Accountants of India and was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreements.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Automotive Stampings and Assemblies Limited

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF AUTOMOTIVESTAMPINGSAND ASSEMBLIES LIMITED

Report on the Financial Statements

1. We have audited the accompanying financial statements of **Automotive Stampings and Assemblies Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements to give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2015, and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by 'the Companies (Auditor's Report) Order, 2015', issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (hereinafter referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143 (3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on March 31, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at March 31, 2015 on its financial position in its financial statements – Refer Note 27.
 - ii. The Company has long-term contracts including derivative contracts as at March 31, 2015 for which there were no material foreseeable losses.

Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211 (3) (c) Companies (Accounting Standards) Rules, 2006, as amended and other relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Revised Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

2. FIXED ASSETS AND DEPRECIATION

Tangible Assets are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance. Items of fixed assets that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value and are shown separately in the financial statements. Any expected loss is recognised immediately in the Statement of Profit and Loss.

Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

Depreciation on fixed assets has been provided as under:

- a) Depreciation is provided on pro-rata basis on the straight line method over the estimated useful lives of the assets which in certain cases may be different than rates prescribed by under Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets. The estimates of the useful lives of the assets based on a technical evaluation, have undergone a change on account of transition to the Companies Act, 2013. Also refer note 33 below.

Asset	Useful Life
Press Machines.....	20 Years
Other Plant and Machinery.....	10-18 Years
Vehicles.....	4 Years
Computers.....	4 Years
Furniture & Fittings.....	5 Years

- b) Leasehold land is amortized over the period of lease.

NOTES FORMING PART OF FINANCIAL STATEMENTS ...CONTD.**Intangible Assets**

Intangible Assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over their estimated useful lives. A rebuttable presumption that the useful life of an intangible asset will not exceed ten years from the date when the asset is available for use is considered by the management. The amortisation period and the amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

Intangible assets are amortized on a straight line basis over their estimated useful life ranging between 3 to 5 years.

Impairment

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased.

3. INVENTORIES

Inventories are stated at lower of cost and net realisable value. Cost is determined using the weighted average method. The cost of finished goods and work in progress comprises design costs, raw materials, direct labour, other direct costs and related production overheads. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale. Scrap is valued at net realizable value.

4. REVENUE RECOGNITION**Sale of goods:**

Sales are recognised when the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract and are recognised net of trade discounts, rebates, sales taxes and excise duties.

Price increase or decrease due to change in major raw material cost, pending acknowledgement from major customers, is accrued on estimated basis.

Sale of Services:

In contracts involving the rendering of services, revenue is measured using the proportionate completion method and are recognised net of service tax.

Other Income:

Interest: Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

5. FOREIGN CURRENCY TRANSACTIONS**Initial Recognition**

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent Recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Automotive Stampings and Assemblies Limited

NOTES FORMING PART OF FINANCIAL STATEMENTS ...CONTD.

All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. All monetary assets and liabilities in foreign currency are restated at the end of accounting period. Exchange differences on restatement of all other monetary items are recognised in the Statement of Profit and Loss.

Forward Exchange Contracts

The premium or discount arising at the inception of forward exchange contracts entered into to hedge an existing asset/liability, is amortised as expense or income over the life of the contract. Exchange differences on such a contract are recognised in the Statement of Profit and Loss in the reporting period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such a forward exchange contract are recognised as income or as expense for the period.

Forward exchange contracts outstanding as at the year end on account of firm commitment / highly probable forecast transactions are marked to market and the losses, if any, are recognised in the Statement of Profit and Loss and gains are ignored in accordance with the Announcement of Institute of Chartered Accountants of India on 'Accounting for Derivatives' issued in March 2008.

6. BORROWING COSTS

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognised in Statement of Profit and Loss in the period in which they are incurred.

7. EMPLOYEE BENEFITS

Provident Fund and Superannuation Fund:

Contribution towards provident fund for certain employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis. The Company has Defined Contribution Plans for post employment benefits in the form of Superannuation Fund which is recognised by the Income-tax authorities and administered through trustees and the Life Insurance Corporation of India (LIC).

Gratuity:

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.

Compensated Absences:

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year end are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.

Termination Benefits:

Termination benefits in the nature of voluntary retirement benefits are recognised in the Statement of Profit and Loss as and when incurred.

8. TAXATION

Current and deferred tax:

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

NOTES FORMING PART OF FINANCIAL STATEMENTS ...CONTD.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets in case of unabsorbed depreciation and carry forward business losses, as applicable, are recognized only to the extent there is virtual certainty that these will be realized and are reviewed for the appropriateness of their respective carrying values at each balance sheet date. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each Balance Sheet date, the Management reassesses unrecognised deferred tax assets, if any.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

In respect of Section 80IC unit of the Company situated at Pantnagar which is enjoying income-tax benefits, deferred tax is recognized, subject to the consideration of prudence in respect of deferred tax assets, on timing differences, being the differences between the taxable income and accounting income that originates in the tax holiday period and are capable of reversal after the tax holiday period.

Minimum Alternative Tax

Minimum Alternative Tax credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

9. Provisions and Contingent Liabilities

Provisions: Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

10. Cash and Cash Equivalents

In the cash flow statement, cash and cash equivalents includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

11. Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.
